

MARTIN'S LUTHERAN CHRISTIAN EDUCATION PRE-REGISTRATION

Our kickoff with Rally Sunday is **September 10th, 2023!**
We will offer Sunday School based on the lectionary through Sparkhouse starting **Sunday September 17th at 10:30am** for grades **Pre-K through 4th**.

We also offer weekly Sunday morning classes for grades **5th-12th**.
B.L.A.S.T. (Building Lives Around Sound Truth) is the name for the **5th-8th** grade group that meets in multiple rooms and the leaders choose topics sometimes using videos for discussion.
Acts 29 (because we write the next chapter) is the name for the **9th-12th** grade group that has their own room to meet with leaders choosing topics and using videos for discussion.

Pre-Registration: Please register children ages 4 and up to help us prepare a place for everyone.

Volunteer Opportunities: Where will you share your gifts in this education ministry? Fill out the section below with your child's registration. We look for individuals and families interested in teaching, helping in a classroom, music, planning events, and more. If you would like to help even for a day or week, contact Alicia Nelson at (701) 793-8591 or leeshalou@hotmail.com.
